Summary of Important Costs for 2026

You may be receiving a subsidy from your former employer or union to pay for some or all of your plan's premium. Please contact your former employer or union's group benefit plan administrator for information about your plan premium. (See Chapter 1, Section 4.1 of the *Evidence of Coverage* for more information.)

SECTION 1 Changes to Benefits and Costs for Next Year

Section 1.1 Changes to the Monthly Plan Premium

You may be receiving a subsidy from your former employer or union to pay for some or all of your plan's premium. Please contact your former employer or union's group benefit plan administrator for information about your plan premium. (See Chapter 1, Section 4.1 of the *Evidence of Coverage* for more information.)

Factors that could change your Part D Premium Amount

- Late Enrollment Penalty - Your monthly plan premium will be *more* if you're required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that's at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- High Income Surcharge - If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare drug coverage.

Section 1.2 Changes to Your Maximum Out-of-Pocket Amounts

Changes to your Plan design

Your plan has moved to a different plan design. For details, see Chapter 4 Medical benefits chart (what is covered and what you pay), in your *Evidence of Coverage*. This will not result in a loss of coverage.

Section 1.3 Changes to the Provider Network

Our network of providers has changed for next year. Review the *2026 Provider Directory* (<http://www.Humana.com/FindCare>) to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network. Here's how to get an updated *Provider Directory*:

- Visit our website at (<http://www.Humana.com/FindCare>)
- Call Customer Care (see the back cover) TTY users call 711 to get current provider information or to ask us to mail you a *Provider Directory*.

We can make changes to the hospitals, doctors, and specialists (providers) that are part of our plan during the year. If a mid-year change in our pharmacies affects you, call Customer Care (see the back cover) TTY users call 711 for help.

Section 1.4 Changes to the Pharmacy Network

Amounts you pay for your prescription drugs can depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies. Our network includes pharmacies with preferred cost sharing, which may offer you lower cost sharing than the standard cost sharing offered by other network pharmacies for some drugs.

Our network of pharmacies has changed for next year. Review the *2026 Pharmacy Directory* (<http://www.Humana.com/FindCare>) to see which pharmacies are in our network. Here's how to get an updated *Pharmacy Directory*:

- Visit our website at (<http://www.Humana.com/FindCare>)
- Call Customer Care (see the back cover) TTY users call 711 to get current provider information or to ask us to mail you a Pharmacy Directory.

We can make changes to the pharmacies that are part of our plan during the year. If a mid-year change in our pharmacies affects you, call Customer Care (see the back cover) TTY users call 711 for help.

Section 1.5 Changes to Benefits and Costs for Medical Services

Changes to your Medical Plan design

Your Medical plan has moved to a different plan design. For details, see Chapter 4 Medical benefits chart (what is covered and what you pay), in your *Evidence of Coverage*. This will not result in a loss of coverage.

Section 1.6 Changes to Part D Drug Coverage

Changes to Our Drug Guide

Our list of covered drugs is called a Formulary or Drug Guide. The Drug Guide includes many - but not all- of the drugs that we will cover next year. If you don't see your drug on this list, it might still be covered. **You can get the complete Drug Guide** by calling Customer Care (see the back cover) TTY users call 711 or visiting our website (<http://www.Humana.com/FindCare>).

We made changes to our Drug Guide, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the Drug Guide to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the Drug Guide are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules that will affect you during the calendar year. We update our online Drug Guide at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you are taking, we will send you a notice about the change.

If you're affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your prescriber to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. Call Customer Care for more information.

Section 1.7 Changes to Prescription Drug Benefits & Costs

Do you get Extra Help to pay for your drug coverage costs?

If you're in a program that helps pay for your drugs (Extra Help), **the information about costs for Part D Drug may not apply to you.** We sent you a separate insert, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs*, which tells you about your drug costs. If you get Extra Help and you haven't received this insert, please call Customer Care (TTY users should call 711) and ask for the *LIS Rider*.

Drug Payment Stages

There are **3 drug payment stages**: the Yearly Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage. The Coverage Gap Stage and the Coverage Gap Discount Program no longer exist in the Part D benefit.

- **Stage 1: Yearly Deductible**
You start in this payment stage each calendar year. During this stage, you pay the full cost of your Part D drugs until you've reached the yearly deductible.
- **Stage 2: Initial Coverage**
Once you pay the yearly deductible, you move to the Initial Coverage Stage. In this stage, our plan pays its share of the cost of your drugs, and you pay your share of the cost. You generally stay in this stage until your year-to-date total drug costs reach \$2,100.
- **Stage 3: Catastrophic Coverage**
This is the third and final drug payment stage. In this stage, you pay nothing for your covered Part D drugs. You generally stay in this stage for the rest of the calendar year.

The Coverage Gap Discount Program has been replaced by the Manufacturer Discount Program. Under the Manufacturer Discount Program, drug manufacturers pay a portion of our plan's full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program don't count toward out-of-pocket costs.

Changes to your RX Plan design

Your RX plan has moved to a different plan design. This will not result in a loss of coverage. You can review the Evidence of Coverage to see drug stages and cost shares for your plan.

SECTION 2 Administrative Changes

	2025 (this year)	2026 (next year)
Medicare Prescription Payment Plan	The Medicare Prescription Payment Plan is a payment option that began this year and can help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January-December). You may be participating in this payment option.	<p>If you're participating in the Medicare Prescription Payment Plan and stay in the same Part D plan, your participation will be automatically renewed for 2026.</p> <p>To learn more about this payment option, call Customer Care (see the back cover) TTY users call 711 or visit www.Medicare.gov</p>

SECTION 3 How to Change Plans

To stay in our plan, you don't need to do anything. Unless you sign up for a different plan or change to Original Medicare, you will automatically be enrolled in our plan for 2026.

If you want to change plans follow these steps:

- **To change to a different Medicare health plan,** enroll in the new plan. You'll automatically be disenrolled from Humana Group Medicare Advantage PPO Plan.
- **To change to Original Medicare with Medicare drug coverage,** enroll in the new Medicare drug plan. You'll automatically be disenrolled from Humana Group Medicare Advantage PPO Plan.
- **To change to Original Medicare without a drug plan,** you can send us a written request to disenroll. Contact Humana Group Medicare Customer Care (see the back cover) TTY users call 711 if you need more information on how to do this. Or call **Medicare**, at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users should call 1-877-486-2048. If you don't enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty (go to Section 1.1).
- **To learn more about Original Medicare and the different types of Medicare plans,** use the Medicare Plan Finder (www.medicare.gov/plan-compare), read *Medicare & You 2026* handbook, call your State Health Insurance Assistance Program (SHIP) (see "Exhibit A" in the *Evidence of Coverage*), or call Medicare. (See Section 5).

Additionally, you may contact your former employer or union to obtain more information on electing other coverage.

Section 3.1 Deadlines for Changing Plans

If you enrolled in a Medicare Advantage Plan for January 1, 2026, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without separate Medicare prescription drug coverage), between January 1 and March 31, 2026.

Section 3.2 Are there other times of the year to make a change?

In certain situations, people may have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

If you recently moved into or, currently live in, an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare drug coverage) or switch to Original Medicare (either with or without separate Medicare prescription drug plan) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for two full months after the month you move out.

SECTION 4 Get Help Paying for Prescription Drugs

You can qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, yearly deductibles, copayments, and coinsurance. Also, people who qualify won't have a late enrollment penalty. To see if you qualify, call:

- 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day, 7 days a week;
- Social Security at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday-Friday for a representative. Automated messages are available 24 hours a day. TTY users should call 1-800-325-0778.
- Your State Medicaid Office.

- **Help from your state's pharmaceutical assistance program (SPAP).** Many states have State Pharmaceutical Assistance Programs (SPAPs) that help people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (SHIP). To get the phone number for your state, visit shiphelp.org, or call 1-800-MEDICARE.

- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible people living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your state, you must meet certain criteria, including proof of State residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP in your state. For information on eligibility criteria, covered drugs, or how to enroll in the program, or, if you are currently enrolled, how to continue getting help, call the ADAP program (the name and phone numbers for this organization are listed in "Exhibit A" in the *Evidence of Coverage*). Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.

- **The Medicare Prescription Payment Plan.** The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January - December). **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.**

Extra Help from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate in this payment option, regardless of income level, and all Medicare drug plans and Medicare health plans with drug coverage must offer this payment option. To learn more about this payment option, please visit Humana.com/RxCostHelp, contact us at the Humana Group Medicare Customer Care number on the back of your Humana Member ID card or visit Medicare.gov.
