

# Hello

Great news— It's time to renew your EyeMed Vision Care plan.

The Fire & Police Pension Assoc. vision plan will automatically renew on 1/1/2023 without any changes. We've made this as simple as possible, with no signatures or additional paperwork needed. All we ask is that you retain this letter for your records.

Rates below will be effective 1/1/2023.

Tier	Current Rate	Renewal Rate
Employee Only	\$9.35	\$9.35
Employee + Spouse	\$17.76	\$17.76
Employee + Children	\$18.66	\$18.66
Employee + Family	\$27.44	\$27.44

We will continue to guarantee these rates for 48 months with the exception of changes in benefits, network, contributions, number of eligible employees or any future tax, fee or assessment imposed by the Federal or State governments.

We look forward to continuing our relationship. In addition to your same great savings, we have rotating members savings outlined on our Special Offers platform. We've highlighted a few reminders below:

- **Second pair discount:** 40% off a complete second pair of prescription glasses\*
- **Hearing Care discount:** You could save up to 64% off retail for hearing aids and materials\*\*
- **Know Before You Go:** Transparency tool helping estimate potential out-of-pocket costs—before heading to the eye doctor

Visit [Member Web](#) to see all of today's members' only offers and everyday discounts.

If you'd like to see additional plan design options or if there are any questions, don't hesitate to contact me. Otherwise, there is no action required.

We know things change, so if there is a new contact person, please provide their contact information so I can follow up.

Thank you for your business.

Best regards,
