

LASO®

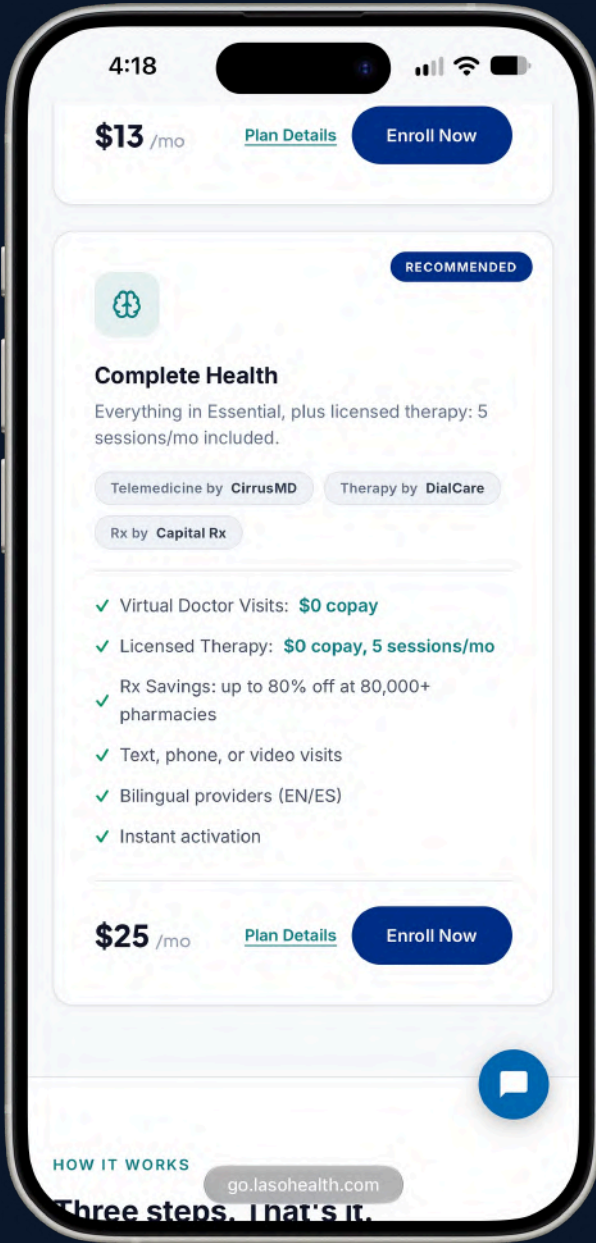

FPPA: How To Sign Up

How to Sign Up for LASO

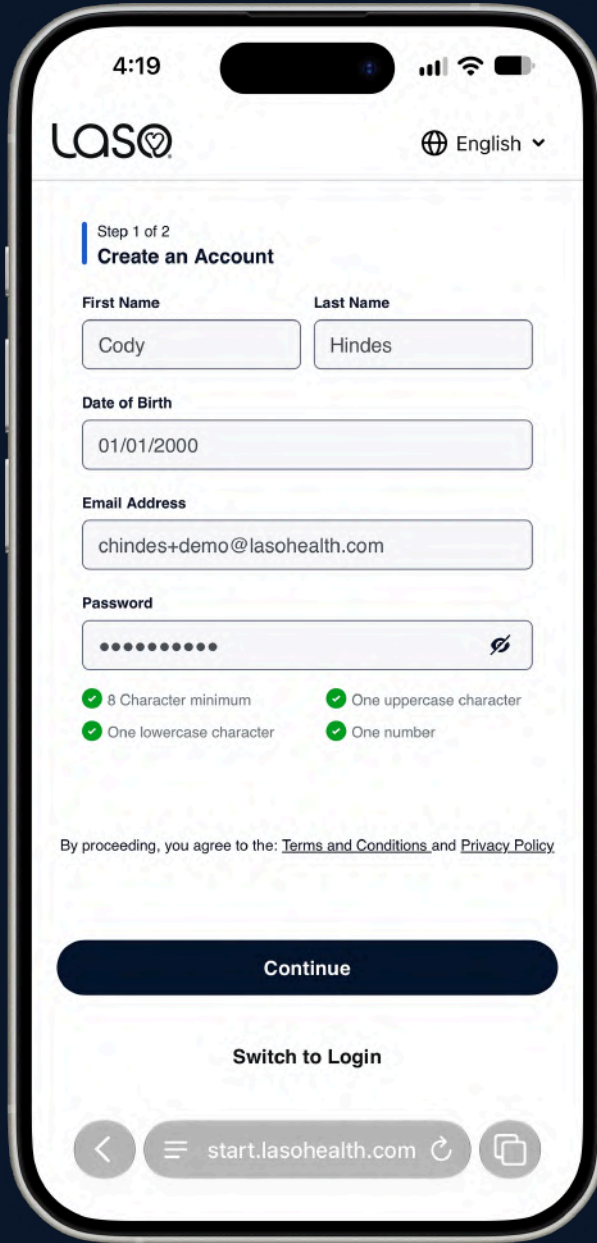

1 Open your sign-up link

Go to the enrollment link you received to see what is included.

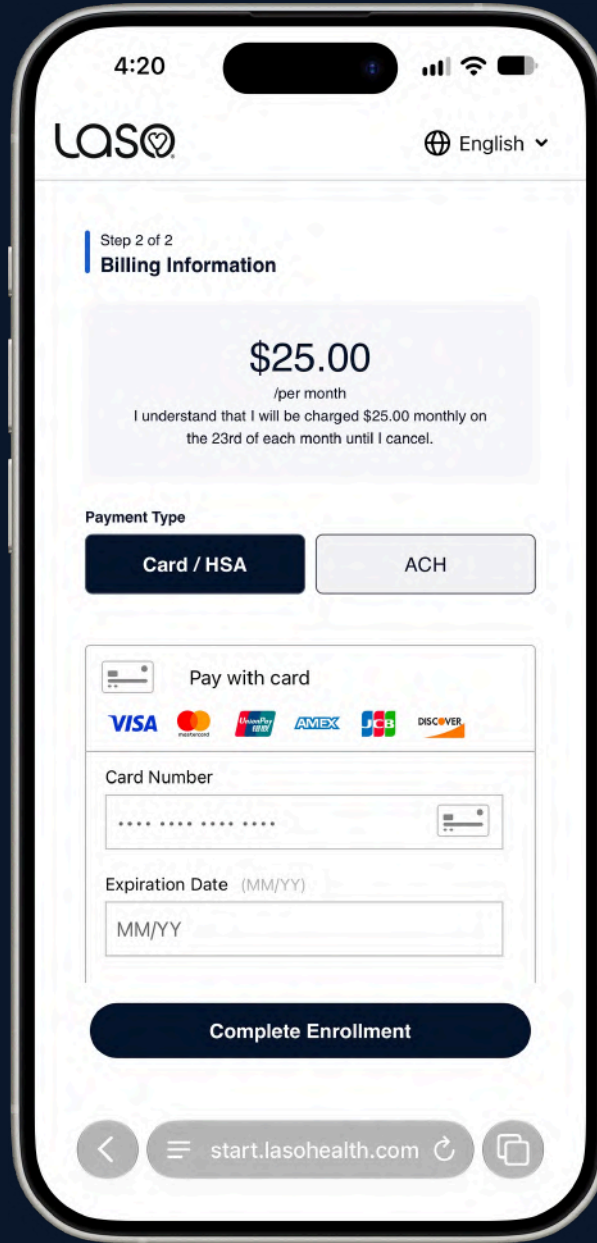

2 Choose your plan

Compare the plans, then tap Enroll Now on the one you want.

3 Create your account

Enter your name, date of birth, email, and a password.

4 Add payment and enroll

Enter your payment details, then tap Complete Enrollment.

What is next. Download the WorkWell by LASO app and sign in with the email and password you just created.

Get the LASO App

Download the app

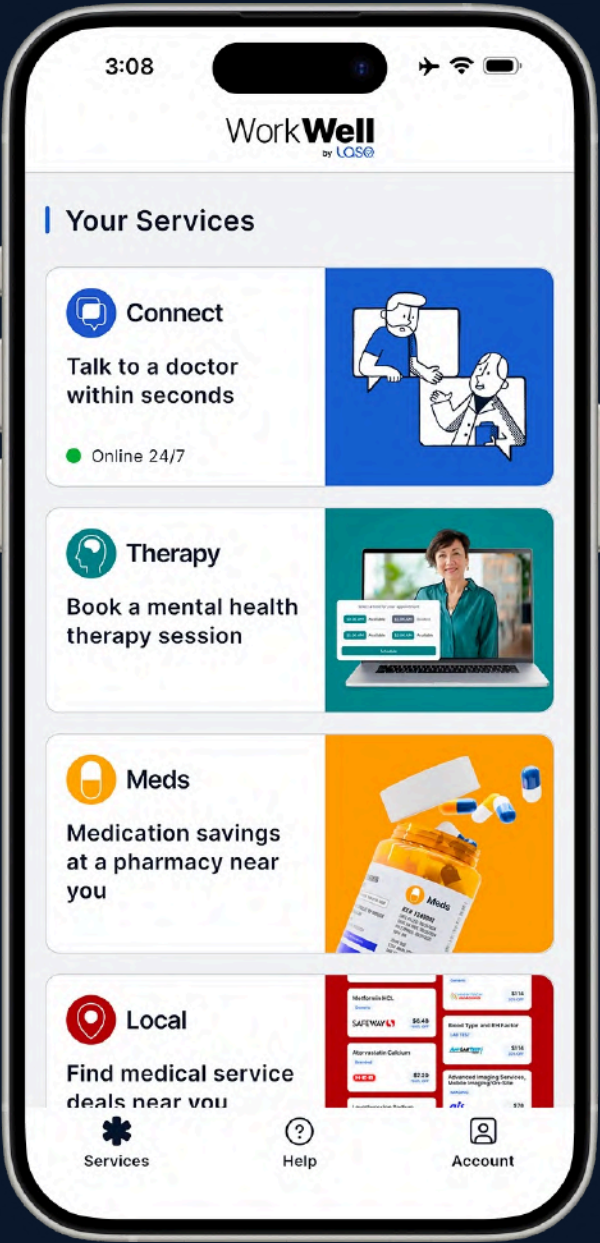

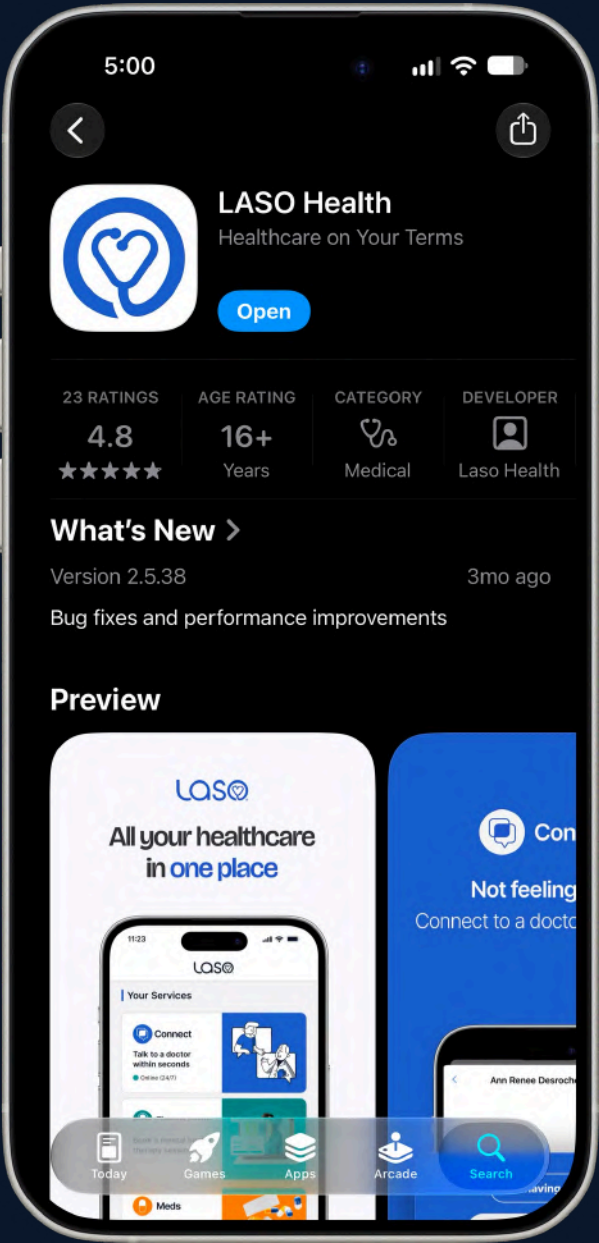

App Store

iPhone

Google Play

Android

Search: LASO Health

1 Open your app store

On iPhone, open the App Store. On Android, open Google Play.

2 Download LASO Health

Search LASO Health, then tap Get or Install and open the app.

3 Sign in and get started

Sign in with your sign-up email and password.

Best experience. Use the app to reach Connect, Therapy, and Meds any time, right from your phone.
